

## RETAIN ACCESS TO STATE FORESTS IN RIPON

To the Legislative Assembly of Victoria

The Petition of residents in Victoria calls on the Legislative Assembly to note that:

VEAC is conducting an investigation into various State Forests in Ripon. The residents of Ripon are opposed to any land use changes in Ripon resulting from the Central West VEAC investigation.

Ripon has a large outdoor enthusiast community that enjoys access to current State Forests, including bushwalkers, horse riders, prospectors, 4WD clubs, and other clubs and organisations.

We, therefore, call on the Government to ensure that access to all current State Forests within Ripon is maintained for currently allowed activities.
